

Committee Report, September 2006

Capital Improvement Program Committee:

Marney Jacobs (Co-Chair): mjdti@bellatlantic.net

Jim Keenan (Co-Chair): jim.keenan@fmcsa.dot.gov

The CIP Committee has been preparing for the annual capital budget cycle which starts in the fall. Areas have been meeting with Department of Long Range Facilities Planning to discuss cluster CIP comments, proposed capital projects and non-capital actions, such as boundary studies. The CIP is published in late October, followed by testimony to the Board in early November, Board amendments and approval by the end of November. The Committee and MCPS staff will present information on the CIP and the process at the October 7 training.
