

MCCPTA Committee Update – April 2007

Student Service Learning Hours Committee:

Karen Judson, Chair, bszjudson@comcast.net

The next SSL Committee meeting is scheduled for Monday May 14 at 7:30 PM at CESC. Middle and high school PTSA SSL liaisons will be discussing their activities this year. These PTSA liaisons participated in a new initiative by working with their school's staff SSL coordinator to increase communication with students and parents regarding both the SSL requirement and opportunities to fulfill it. PTSA's that have not yet designated a SSL liaison and would like to learn more about this new initiative are invited to attend. Please RSVP to Karen Judson at 301-365-9342 or bszjudson@comcast.net.
