

## MCCPTA Sub-Committee Work Plan 2009-2010

**Committee:** Student Service Learning (SSL) Sub-Committee

**Chair:** Deb Lang  
Email: debolang@yahoo.com

### **Sub-Committee Members**

To be recruited

### **Goals:**

Under the direction and approval of MCCPTA, the sub-committee will address the following goals this year:

1. to communicate regularly with MCPS regarding the SSL program, monitoring implementation and providing feedback from parents and students,
2. to research best practices in SSL learning across the state, and
3. to explore ways of improving the dissemination of information on SSL requirements to parent and students, including which programs, for example the National Honor Society, have an SSL requirement and what awards are available to students who exceed the minimum SSL requirement.
4. The sub-committee will also explore ways of better disseminating information on SSL opportunities to parents and students, for example by encouraging PTAs to create "SSL Liaison" positions and possibly planning a Delegates Assembly program on the SSL program.

### **Action Steps:**

Under the direction and approval of MCCPTA, the sub-committee will address the following:

1. The sub-committee chair will serve as member of Superintendent's Advisory Board on SSL.
2. The sub-committee will work with MCPS staff, other MCCPTA committees and individual PTAs, and may work with/communicate with the Montgomery County Volunteer Center, other school systems in Maryland, MSDE, organizations with community service recognition programs, etc.
3. The sub-committee will hold meetings, prepare materials, and send out information as needed (using listservs, web sites, newsletters, etc).

### **Expenses**

\$100 for food and refreshments at meetings.
