

Student Service Learning (SSL) Sub-Committee Report – September 2009

Chair: Debra Lang

As Committee Chair, I have been actively reaching out to PTAs to identify SSL Liaisons to assist in the dissemination of SSL-related information between myself, the MCPS School SSL coordinators, parents and students. In the absence of a PTA volunteer, I am asking PTA Presidents to perform the liaison function as it is necessary to have a contact to facilitate the smooth transfer of SSL information
