

Parent Involvement Committee

The Parent Involvement Committee's next meeting is scheduled for April 10th 2008, 7pm in Rm 127 Of the BOE Bldg(Carver). At this meeting we will finalize the plans for The International Parent Education Program. This program is geared towards breaching the gap between international parents and the school. The hope is that at least 20 parents will participate in this program and at the end, at least 75% or more will go on to be involved in the running of their PTA, or better yet increase their involvement in the education of their children.
