MEMORANDUM

To: Members of the Board of Education

From: Jerry D. Weast, Superintendent of Schools 

Subject: FY 2011 Operating Budget Presentation

As you know, traditionally I have presented details about my operating budget recommendations in an evening public presentation. This year, I have decided to forego the presentation scheduled for December 10, 2009 at Richard Montgomery High School. In making this decision, I have weighed the continued uncertainty of the fiscal situation and the ongoing fluctuations in the level of anticipated revenue from the county and state.

The timeline for conveying my budget recommendations to you on December 10, 2009, remains the same. However, the reality is that the budget situation will remain very fluid throughout the spring.

I look forward to working closely with you as we navigate the difficult budget waters ahead.
