Dear Mr. Lang and Ms. Brown,

On February 23, 2010, the Montgomery County Council of PTAs (MCCPTA) adopted the following positions related to the MCPS produced feedback materials for the MCPS Foreign Language Workgroup.

MCCPTA has four representatives on this work group. They are: Jackie Suzich, Gloria Salas-Kos, Jennifer Pories and Johanna Walk.

The MCCPTA Delegates have charged the MCCPTA workgroup representatives with drafting a list of concerns regarding the materials for our Delegates to review and give input on. Those concerns will be presented at the March 23, 2010 MCCPTA Delegates Assembly for their consideration.

Until that is accomplished, MCCPTA will not submit any formal feedback related to the MCPS Foreign Language Workgroup. MCCPTA will oppose publicly any representations that MCCPTA has given final feedback or accepted any MCPS recommendations related to the MCPS Foreign Language Workgroup.

The MCCPTA Delegates move to reject the document provided to us by the Foreign Language Workgroup.

and

That the parents who worked on the Foreign Language Workgroup prepare a list of concerns with the Foreign Language Workgroup Request for Feedback and submit those concerns to the Delegates Assembly at the next meeting so they may be endorsed.
