As the school year ends and summer begins, the Website Committee is starting to plan on work to do over the summer to improve the MCCPTA website. If you have suggestions on (1) how to better organize the website, (2) information that you would like to see on the website, or (3) other improvements, please email your suggestions to [webmaster@mccpta.com](mailto:webmaster@mccpta.com). If you have graphic design skills and would like to work on the website committee, please contact us.

“Spotlight” Reminder: If you have news and/or achievements from your school or PTA that should be highlighted in the “Spotlight” corner of the MCCPTA homepage, please notify MCCPTA (via email to [office@mccpta.com](mailto:office@mccpta.com) and/or [webmaster@mccpta.com](mailto:webmaster@mccpta.com)).

Thanks to everyone who submitted content for the MCCPTA website this year
